

## Christmas & Gift is coming

If shops on the High street are a good indication, then Christmas is well and truly on its way; and that means it is just three months until the UK's most important trade show for the festive sector – Harrogate Christmas & Gift from 13<sup>th</sup> to 16<sup>th</sup> January 2019.

Every year exhibitors present the very best products the industry has to offer; from Christmas decorations and paraphernalia to year-round gifts and toys with favourite companies returning once again and many new ones participating in the show for the very first time.

Visit the website for a full list of exhibitors and to register for free attendance – and if you are a supplier and haven't already done so, check out last minute stand availability and book online – [www.harrogatefair.com](http://www.harrogatefair.com)
